

### **Movement Disorders Specialist (Open Rank)**

The Department of Neurology of the Joe R. and Teresa Lozano Long School of Medicine at UT Health San Antonio is seeking a clinical/academic movement disorders specialist faculty to provide superb clinical care, undertake innovative and important collaborative research, and contribute to the teaching of medical students, residents, and fellows.

Minimum requirements include an MD/DO degree, completion of an ACGME-accredited neurology residency and two years of fellowship training in movement disorders. Candidates must be board-certified or board-eligible in Neurology.

For full consideration, please visit the UT Health Careers Faculty applicant portal at: <http://uthscsa.edu/hr/employment.asp> to apply for position 25000143 and upload 1) a cover letter stating career goals and the relevance of the candidate's training and experience to the position; 2) a current CV; 3) and the names and contact information of three references.

UT Health San Antonio is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and persons with disabilities. All faculty appointments are designated as security sensitive positions.
